EEX delists German/Austrian Wind Power Futures

Dear Trading Participant,

As of 3rd August 2020, EEX will delist German/Austrian Wind Power Futures. This change is a consequence of the split of the common bidding zone Germany/Austria into two national bidding zones. The following products are affected:

Product Code	Long Name	ISIN
W1B1	EEX German/Austrian Wind Power Week Future	DE000A163693
W1B2	EEX German/Austrian Wind Power Week Future	DE000A1637A5
W1B3	EEX German/Austrian Wind Power Week Future	DE000A1637B3
W1B4	EEX German/Austrian Wind Power Week Future	DE000A1637C1
W1B5	EEX German/Austrian Wind Power Week Future	DE000A1637D9
W1BM	EEX German/Austrian Wind Power Month Future	DE000A1637E7
W1BQ	EEX German/Austrian Wind Power Quarter Future	DE000A1637F4
W1BY	EEX German/Austrian Wind Power Year Future	DE000A1637G2

From that day, Exchange trading as well as trade registration will no longer be possible.

Yours sincerely,

EEX Market Operations
